

Armed Services Veterans' Memorial
At the Masonic Home of Virginia

Paver Gift and Inscription Form

The Home's Memorial recognizes the many Masons and others who have served in the Armed Services of the United States. Pavers have been placed at the Memorial so that gifts to the Masonic Home can be recognized by the engraving of a paver at this Memorial. This is an excellent way to speak up for Veterans and simultaneously support the Masonic Home.

Tax deductible gifts to honor our Veterans and ALSO support the Masonic Home can be sent payable to the Masonic Home with a memo entry of "Armed Service Veterans Fund." A gift of \$200 or more, designated to the Armed Service Veterans Fund, or to the World War II project, will allow the donor to have a paver engraved in memory OR honor of any person, Lodge, etc..

Additional recognition is possible with gifts of \$1,000 or more. Information is available at the Home's Development office, by calling toll-free 1-800-262-4644, extension 77223.
